Career Objective: Motivated and dedicated B.Tech student in Electronics and Telecommunication Engineering (ENTC) with an interest in Artificial Intelligence, Machine Learning, and Embedded Systems. Seeking opportunities to apply technical knowledge, develop practical skills, and contribute to innovative projects while continuously learning and growing as an engineer.

Education:

Bachelor of Technology (B.Tech) in Electronics and Telecommunication Engineering (ENTC)
Symbiosis Institute of Technology, Pune

Second Year Completed

Current CGPA: 7.50/10 (3rd sem)

Expected Graduation: 2028

Class XII (Science)

Uttar Pradesh Board

Percentage: 77.0%

Year of Passing: 2022

Class X

Uttar Pradesh Board

Percentage: 85.6%

Year of Passing: 2020

Technical Skills: • C Programming / • Python (Basic) / • Arduino / • Embedded Systems / • Artificial Intelligence (Learning) / • Machine Learning (Learning) / • Git & GitHub / • My SQL

Experience

AI & Machine Learning Intern | WellIntern

- Currently undergoing training in Artificial Intelligence and Machine Learning.
- Learning Python-based AI/ML concepts and practical applications.
- Working on hands-on projects and industry-oriented tasks.
- Developing problem-solving, analytical, and technical skills.

Projects

- **Smart Car Parking System Using Arduino – Arduino, IR Sensor, Servo Motor**
- **Smart Toll Gate System – Arduino, Ultrasonic Sensor**
- **AI Chatbot Using Python – Python, AI Basics**
- **Wireless Power Transfer Using Induction Coil – Electromagnetic Induction**
- **Password Strength Checker – Python**

Certifications

- Ignite Bootcamp – Idea to Plan Program, Wadhwani Foundation
- Service Learning Certificate – ISKCON Ravet Temple
- Artificial Intelligence & Machine Learning Training (Ongoing)

Achievements & Leadership

- Secured 3rd Position in an Entrepreneurship Venture Competition for the "Smart Roommate Finder" project idea.
- Successfully completed the Ignite Bootcamp – Idea to Plan Program by Wadhwani Foundation.
- Received a Letter of Appreciation from ISKCON Ravet Temple for completing 120 hours of Service Learning (Seva).
- Demonstrated leadership, teamwork, communication, and community engagement through volunteer activities.
